

# Safeguarding Adults Training Programme April 2024 – March 2025

## Introduction

Welcome to the NHS Derby and Derbyshire Clinical Commissioning Group Safeguarding Adults Training Programme for 2024-2025.

Training will continue to be delivered via MS Teams, following the Covid pandemic., however, this will be monitored.

We are delighted to be able to offer a number of new training workshops this year, sessions on Hoarding and Sexual Violence. These will be delivered by external speakers.

Certificates of attendance will be emailed on completion of the training.

**E- Learning** is also accessible for ICB staff to access via ESR Training and other web links see **Page 5**.

## Who requires training?

All staff (including Primary Care staff) require **Safeguarding Adult** training every 3 years. This is a mandatory requirement. All ICB Staff require **PREVENT** training, every 3 years. This is also mandatory.

The following page, page 4, shows forthcoming NHS Derby and Derbyshire ICB training dates.

As outlined in the Intercollegiate Document (2018) GPs and Practice Nurses require 3 hours safeguarding adult training annually (totalling a minimum of 8 hours over 3 years). This can include any of the following related subjects :-

- Safeguarding Adults (Level 3) – Mandatory every 3 years
- PREVENT
- Mental Capacity Act/Deprivation of Liberty Safeguards
- Domestic Abuse Awareness
- Multi Agency Risk Conference (MARAC)
- FGM
- Modern Slavery
- Financial Abuse
- Multi Agency Public Protection Arrangements (MAPPA)
- Safeguarding Conferences
- Hate Crime
- Making Enquiries under S42 Training
- Chairing Multi Agency Meetings

### **Liberty Protection Safeguards**

In April 2023, the government confirmed that they were delaying the implementation of Liberty Protection Safeguards (LPS), until after the next general election in 2025. LPS had been planned to replace the current Deprivation of Liberty Safeguards structure. In the meantime, the Mental Capacity Act remains and will be unchanged as a result of LPS, all practitioners should still follow the Code of Practice and be aware of best interest decision making where appropriate to do so.

Staff can also register for training via the Derby & Derbyshire Adult Safeguarding Adult Boards, links below:

## **Additional Resources Available**

NHS Derby and Derbyshire ICBs Safeguarding Adults Team have developed further resources to assist with learning and training. These include the Safeguarding Adults Derbyshire App, the MCA DoLs App and Podcasts.

### **\*\*Adult Safeguarding Derbyshire App\*\***

Safeguarding is 'everybody's business'. This free App is useful for all staff, who provide care and support, whatever their role, to any adult in any setting. It uses swipe screen technology to guide you through a series of decision referral pathways, making it easier to recognise risk and know what to do if you have a concern. There is a wealth of practical advice and information. The App has links to referral processes, operational policies and guidance.

Simply download the app from the Play Store (Android) and the Apple Store (iOS) :-
