

Co-production on a page

Name of project: Derbyshire PPG Survey

Project Lead: Hannah Morton, Public Involvement Manager (page completed by member of the working group)

What was the aim?	How was it done?	What were the outcomes?
<p>To construct a Patient Participation Group Survey to establish the health of the 114 Derbyshire PPGs</p>	<p>A volunteer working group of PPG members helped Hannah compile and refine the survey via online meetings</p> <p>An agreed final version was circulated to all county/city PPGs for completions by any or all of practices managers/PPG members</p>	<p>37-page report on the state of PPGs in Derbyshire; plus</p> <ul style="list-style-type: none"> • Good practice and learning resources identified; • A PPG members' Contact List enables inter-PPG learning/support

What did you learn?	What's next?	Anything else to add 😊
<p>Involvement of Patients enabled a more searching and productive outcome.</p> <p>A 37% response rate etc revealed the very uneven health of Derbyshire PPGs.</p> <p>Some are flourishing but others produced no evidence that they have a functioning PPG, despite the obligation on GP practices to support a patient participation group</p>	<p>Provides the ICB evidence for further enquiry into this aspect of GP practice operation.</p> <p>Has given impetus to the ICB-run bi-monthly general PPG Network meetings</p> <p>Gives a benchmark for future surveys to establish developments</p>	<p>Successful example of co-production through equality of input, supportive staff, leading to useful outcomes;</p> <p>The PPG Members' Contact list is thought to be an innovation in the region.</p>
