

## **Electronic Magnification Low Vision Drop-In Session**

**Date: Thursday 23rd May 2024**

**Time: Anytime between 10.30am – 3.30pm**

**Venue: Sight Support Derbyshire Head Office, 2a Wentworth House, Derby, DE1 1UR**

No appointment booking needed, but it would help with our planning if you could telephone beforehand and let us know if you plan to attend. 01332 292262

Sight Support Derbyshire are pleased to be working with Associated Optical to give you the chance to see the latest equipment available in hand held electronic magnification.

Simple to use, easy to hold, and with excellent magnification options, this drop-in session gives you the chance to come and find out more about the products, and to have a go to see if electronic magnification could help you.

There is no 'hard sell' but if you do decide to purchase through us we will be offering big discounts on the listed prices. This means that you'll get a great price and at the same time be helping us as a small local Registered Charity.

On the day we'll have the following electronic magnifiers available to try:

SMARTLUX 5", VISOLUX HD 7", VISOLUX XL 12"

Information about: VARIO FHD 16"

Sight Support Derbyshire will have trained staff available to guide you through the products available. We will also have information available about all of our services and how we can help if you, or someone you know has a visual impairment.

We look forward to welcoming you on the day.
