

# Training & support for primary care.

Our team aims to build resilience across general practice and help individuals, practices and PCNs thrive in the innovative healthcare system of today and tomorrow.

The Hub Plus Derbyshire is the next evolution of the General Practice Task Force and Health Education Derbyshire. The Hub Plus supports and develops existing and future staff working in primary care in Derby and Derbyshire through expert project delivery in:

---

**Training and development for all general practice staff**

---

---

**Recruitment and retention of roles**

---

---

**Wellbeing, Freedom to Speak up and Equality,  
Diversity and Inclusion**

---

---

**Primary Care Network and Practice advice,  
development and facilitation**

---

---

**Career pathways including apprenticeship and  
trainee placements**

---
